## **DETAILED ACTION**

### ***Claim Objections***

1. Claims 5-6, 11-12 and 17-18 are objected to because of the following informalities: the claims depended on the cancel claims 4, 10 and 16. Appropriate correction is required.

Claim 13 is objected to because of the following informalities: the language of claim needs to rewrite as “Computer program product for reducing multimedia packet overhead in a packet based multimedia system having a multimedia source device coupled to a multimedia display device by way of a bi-directional auxiliary channel arranged to transfer information between the display device and the source device and vice versa and a unidirectional main link arranged to carry multimedia data packets from the multimedia source device to the multimedia display device, comprising:” should be rewritten as “*Computer readable medium for storing a computer code which executes by processor* to reduce multimedia packet overhead in a packet based multimedia system having a multimedia source device coupled to a multimedia display device by way of a bi-directional auxiliary channel arranged to transfer information between the display device and the source device and vice versa and a unidirectional main link arranged to carry multimedia data packets from the multimedia source device to the multimedia display device, comprising:” . ### ***Claim Rejections - 35 USC § 112***

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Art Unit: 2416

3. Claims 1-3, 5-9, 11-15 and 17-18 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
4. Claims recite the limitation "the sink device" in claims 1, 7 and 13. There is insufficient antecedent basis for this limitation in the claim.

***Allowable Subject Matter***

5. Claims 1, 7 and 13 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.
6. Claims 2-3, 5-6, 9, 11-12, 14, 15 and 17-18 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.
